Warranty

For a period of (18) months from date of purchase or for a period of (12) months from date of installation of any of the goods described herein, whichever period comes first expires, ZY-TECH GLOBAL INDUSTRIES (Seller) warrants such goods shall remain free from failure due to defects in workmanship and material incorporated therein by or for ZY-TECH GLOBAL INDUSTRIES (Seller) provided such failure shall not have been caused or contributed to, by improper usage, service or application, improper installation, maintenance, repairs, alterations, or modifications effected by or for the user negligence or obligations hereunder, and provided written notification of such failure shall be immediately given to ZY-TECH GLOBAL INDUSTRIES at the following address: ZY-TECH GLOBAL INDUSTRIES, 10600 Corporate Drive, Stafford, TX 77477.

ZY-TECH GLOBAL INDUSTRIES agrees to repair, or at its sole option, to replace the goods sold at its sole expense. Apart from the warranty and undertakings of above set forth, ZY-TECH GLOBAL INDUSTRIES assumes no obligation or liability for losses, expense, or damages, direct or consequential, suffered or incurred as a result of any failure of, or defect in, the goods described herein, including but not limited to, such costs, expenses or damages as may result from the necessity to remove, replace, restore or transport the goods from any location or service in which they may be used, regardless of the cause of such failure or defect.

This warranty is the only warranty made by ZY-TECH GLOBAL INDUSTRIES in connection herewith. There are not other warranties, express or implied, of any kind given with respect to the goods, their merchantability, fitness for any particular purpose or usage, or otherwise, nor is any person authorized to extend on behalf of ZY-TECH GLOBAL INDUSTRIES any form of warranty other than that above set forth.

The goods described herein are not sold or distributed by ZY-TECH GLOBAL INDUSTRIES for personal, family or household purposes, nor are they normally suited for use as such.
